

EVEN THE BEST-MANAGED CONSTRUCTION FIRMS RUN INTO PROBLEMS.

We should know; because the construction industry has been the firm's focus since 1987. In fact, one of our clients put it best saying, "Finch, Thornton & Baird attorneys not only understand the construction business, they also understand the business of construction." That is why we developed the *Construction Legal Issues Training Series*.

- Project Management Mistakes and How To Avoid Them (Contracts)
Date: July 20, 2016 at 11:00 a.m.
Speakers: Jeffrey Baird and Christopher Sillari
