CAL/OSHA URGES EMPLOYERS TO FOLLOW THE STATE'S GUIDANCE ON PROTECTING WORKERS FROM COVID-19

SAN DIEGO—Cal/OSHA is urging all California employers to carefully review and follow the state's COVID-19 workplace safety and health guidance to ensure their workers are protected from the virus. The guidance will help employers comply with their obligations to implement effective measures to train and protect employees at each worksite. State and federal OSHA are becoming more and more active in monitoring and enforcing COVID-19 related issues. Therefore, we again remind all California employers to rigorously review and follow these most recent mandates so as to avoid or minimize potential risk and liability.
